EDUCATION

DIT University, Dehradun B.Tech. - Computer Science & Engineering , Cyber Security and Privacy CGPA: 7.30 / 10	2022 - 2026
Kendriya Vidyalaya LBSNAA Mussoorie, Dehradun 12 th CBSE Percentage: 77.67 / 100	2022
St. Clare Convent School, Dehradun 10 th CBSE Percentage: 80.40 / 100	2020

PROJECTS

Portfolio Key Skills: Responsive Web Design Frontend Development UI/UX Design Project Link: https://shaileshkharola.github.io/Portfolio/src/index.html A fully responsive personal portfolio website developed to showcase skills, projects, and achievements. Designed with a clean layout and smooth navigation, the site highlights frontend expertise and web design aesthetics. Built using HTML, CSS, and Bootstrap, the portfolio adapts seamlessly across various devices, providing a user-friendly browsing experience.	15 Jun, 2025 - 20 Jun, 2025
E-commerceWebsite Key Skills: Frontend Development React.js Tailwind CSS Styling & Layout Project Link: https://web-dev-jsb6.vercel.app/ A fully responsive and user-friendly e-commerce front-end built using React.js and Tailwind CSS, designed to offer a seamless shopping experience. The site features dynamic UI components, smooth navigation, and optimized performance for fast load times. Focused on clean design, scalability, and modern development practices, the project demonstrates proficiency in frontend web development and component-based architecture.	02 Apr, 2025 - 30 Apr, 2025
SudokuSolver Key Skills: Java Programming Algorithm Design Backtracking algorithm Graphical User Interface (GUI) Java Swing (or JavaFX) Project Link: https://github.com/ShaileshKharola/SudokuSolver A Java-based GUI application that solves 9x9 Sudoku puzzles using the backtracking algorithm. Built with Java Swing, the tool provides an intuitive interface for users to input puzzles and get instant, accurate solutions. Ideal for showcasing algorithmic thinking and GUI development skills in Java.	01 May, 2024 - 07 May, 2024

ACHIEVEMENTS

- o Attended Army Attachement Camp 2022
- o 150+ LeetCode Problems

ASSESSMENTS / CERTIFICATIONS

Introduction to Relational Databases (RDBMS) Aggregate: 80.60 / 100 Key Skills: Databases Data Management Data Manipulation Data Integrity Describe data, databases, relational databases, and cloud databases. Describe information and data models, relational databases, and relational model concepts (including schemas and tables). Explain an Entity Relationship Diagram and design a relational database for a specific use case.
Basics of Cisco Networking Aggregate: 89.90 / 100 Key Skills: OSI Models Network Infrastructure Network Security Computer Networking TCP/IP

Describe the fundamental components and functions of computer networks.
Cisco IOS and CLI Concepts: Demonstrate proficiency in Cisco's IOS and Command Line Interface (CLI). Execute basic CLI commands for network configuration.
OSI and TCP/IP Models: Differentiate between the OSI and TCP/IP networking models.
IP Addressing and Subnetting: Analyze IP addressing concepts and subnetting techniques (including CIDR).
Construct and evaluate network topologies.

Number Theory and Cryptography

Aggregate: 95.27 / 100

Key Skills: Algorithms Cryptography Applied Mathematics Encryption

Basics of number theory and get to cryptographic protocols based on it. In the end, I was able to apply the basics of number theory to encrypt and decrypt messages, and to break the code if one applies RSA carelessly.

Cybersecurity Tools and Technologies

Aggregate: 90.66 / 100

Key Skills:

Penetration Testing Category: Vulnerability Management Vulnerability Management Network Security

Virtual Private Networks (VPN)

Gained knowledge on the penetration testing strategies employed by the industry to assess the integrity of their network. I also interpret the results of security scans and deal with mitigation strategies such as vulnerability management.

POSITIONS OF RESPONSIBILITY

NCC (National Cadet Corps) -L Cpl

(Aug 2023 – Jul 2024)

Gained hands-on experience in **event management** by organizing unit-level and inter-college events.
Developed strong **teamwork and leadership skills** through group tasks and responsibilities.
Participated in multiple NCC **camps**, significantly enhancing physical endurance and mental resilience.

NCC (National Cadet Corps) -Corporal

(Aug 2024 – Feb 2025)

Responsible for guiding and managing junior cadets during drills and training sessions.
Supervised and coordinated NCC events, ensuring smooth execution and discipline among cadets.
Initiated and maintained a **long-distance running routine**, significantly improving physical endurance and stamina.
Developed strong leadership, mentoring, and organizational skills through regular training, team activities, and event supervision.

Student Placement Representative (SPR) – CSC

(Mar 2023 – Present)

Assisted in **coordinating placement-related activities**.
Collected and verified student data for placement drives and helped ensure timely communication of opportunities.
Supported peers with queries regarding resumes, job profiles, and interview processes, promoting placement readiness.
