

PROFESSIONAL SUMMARY

I am a final-year Cybersecurity student with a strong foundation in web and mobile development. Skilled in creating dynamic, user-friendly applications, I specialize in frontend development with React.js and am expanding my expertise in backend technologies such as Node.js/Express.js and databases. I bring hands-on experience in UI development, API integration, debugging, performance optimization, and unit testing, along with a growing understanding of DevOps workflows and cloud deployments. Strong communication skills and adaptability allow me to work effectively in Agile team environments, contributing to both technical development and collaborative problem-solving.

KEY EXPERTISE

Technical - Java, My SQL, JavaScript, React.js, Html, CSS, Tailwind CSS, Typescript, Kotlin, Mongodb, AWS deployment

Tools - VSCode, Git, GitHub, Vercel, Figma, Postman, BurpSuite, WireShark

EDUCATION

DIT University, Dehradun 2022 - 2026

B.Tech. - Computer Science & Engineering , Cyber Security and Privacy | CGPA: **7.38 / 10**

Kendriya Vidyalaya LBSNAA Mussoorie, Dehradun 2022

12th | CBSE | Percentage: **77.67 / 100**

St. Clare Convent School, Dehradun 2020

10th | CBSE | Percentage: **80.40 / 100**

PROJECTS

Code With Me 02 Jul, 2025 - 04 Aug, 2025

Key Skills:

Authentication & Authorization (user login/registration) Responsive UI/UX Design

Error Handling & Security Best Practices

Project Link: <https://github.com/ShaileshKharola/Coding-Platform>

A comprehensive web application for coding practice and competitive programming. It supports user authentication, code submission, automatic evaluation, detailed problem sets, leaderboards, and a user-friendly interface for enhanced learning.

E-commerceWebsite 02 Apr, 2025 - 30 Apr, 2025

Key Skills: Frontend Development React.js Tailwind CSS Styling & Layout

Project Link: <https://web-dev-jsb6.vercel.app/>

A fully responsive and user-friendly e-commerce front-end built using React.js and Tailwind CSS, designed to offer a seamless shopping experience. The site features dynamic UI components, smooth navigation, and optimized performance for fast load times. Focused on clean design, scalability, and modern development practices, the project demonstrates proficiency in frontend web development and component-based architecture.

SudokuSolver 01 May, 2024 - 07 May, 2024

Key Skills:

Java Programming Algorithm Design Backtracking algorithm Graphical User Interface (GUI) Java Swing (or JavaFX)

Project Link: <https://github.com/ShaileshKharola/SudokuSolver>

A Java-based GUI application that solves 9x9 Sudoku puzzles using the backtracking algorithm. Built with Java Swing, the tool provides an intuitive interface for users to input puzzles and get instant, accurate solutions. Ideal for showcasing algorithmic thinking and GUI development skills in Java.

ACHIEVEMENTS

- 200+ LeetCode Problems
- Attended Army Attachment Camp 2022
- Half-Marathon Runner 21km

ASSESSMENTS / CERTIFICATIONS

Introduction to Relational Databases (RDBMS) -IBM

Aggregate: 80.60 / 100

Key Skills: Databases Data Management Data Manipulation Data Integrity

Number Theory and Cryptography -University of California San Diego

Aggregate: 95.27 / 100

Key Skills: Algorithms Cryptography Applied Mathematics Encryption

Cybersecurity Tools and Technologies -Microsoft

Aggregate: 90.66 / 100

Key Skills:

Penetration Testing Category: Vulnerability Management Vulnerability Management Network Security
Virtual Private Networks (VPN)

Python for Data Science, AI & Development -IBM

Aggregate: 92.87 / 100

Key Skills: Computer Programming File Management Data Manipulation

POSITIONS OF RESPONSIBILITY

Student Placement Representative (SPR) – CSC

(Mar 2023 – Present)

Assisted in coordinating placement-related activities.

Collected and verified student data for placement drives and helped ensure timely communication of opportunities.

Supported peers with queries regarding resumes, job profiles, and interview processes, promoting placement readiness.

NCC (National Cadet Corps) -Corporal

(Aug 2024 – Feb 2025)

Responsible for guiding and managing junior cadets during drills and training sessions.

Supervised and coordinated NCC events, ensuring smooth execution and discipline among cadets.

Initiated and maintained a long-distance running routine, significantly improving physical endurance and stamina.

Developed strong leadership, mentoring, and organizational skills through regular training, team activities, and event supervision.

NCC (National Cadet Corps) -L Cpl

(Aug 2023 – Jul 2024)

Gained hands-on experience in event management by organizing unit-level and inter-college events.

Developed strong teamwork and leadership skills through group tasks and responsibilities.

Participated in multiple NCC camps, significantly enhancing physical endurance and mental resilience.
